

H Windows...

*So Simple They're Revolutionary, and now
FSC CERTIFIED.*

*Do you know where the wood in your
windows?
comes from?*

When you look for...and purchase wood products that have the FSC
(*Forest Stewardship Council*) logo you can be assured that you are
buying from a well-managed forest and from an
accredited Chain-of-Custody Certified supplier. (SW-COC-740)

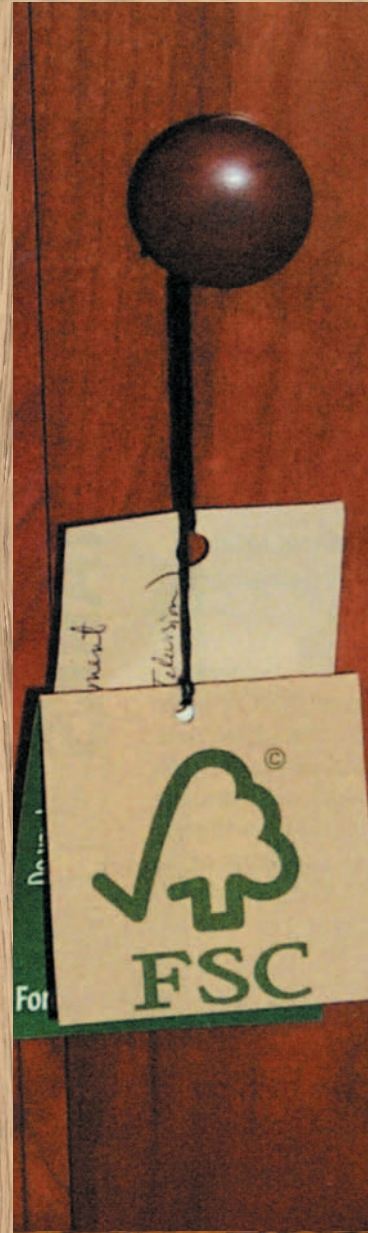

Not all forests are managed alike.

The Forest Stewardship Council works to conserve our
forests for the future. By better forest management...
trees, wildlife, soil and streams stay healthy.

So...by buying FSC certified products, you are buying
responsibly harvested wood utilizing well managed forestry
practices, and are ensuring healthy forests now...and in the future.

*H Window is also leading the way in
environmentally safe finishes...*

H Window utilizes HAPS (Hazardous Air
Pollutants) compliant and HAPS free
wood finishes and stains. We also have
zero VOC (Volatile Organic Compounds),
all of which are environmentally friendly
and durable.

For unmatched **Flexibility** *and*
Superior **Performance,** 
join the H Window Revolution

(SW-COC-740)

What makes the **H Window**?

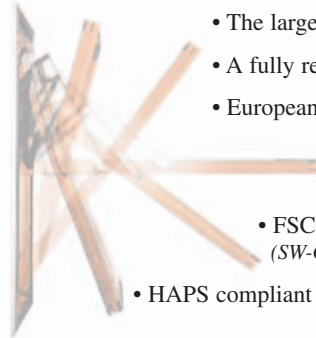

the Finest Window System in the world

Revolutionary Operation...

The H Window...so sensible, so surprisingly simple, it revolves a full 180° for easy cleaning and maintenance without intruding into the room.

H Window has...

- Proven Quality combined with Superior Performance
- The highest performance ratings
- The largest operating windows
- A fully reversible window system
- European engineered hardware
- More colors, fine woods, and glass choices than any other manufacturer
- FSC Accredited Chain-of-Custody Certified (SW-COC-740)
- HAPS compliant finishes, HAPS free stains and solvents.

Innovative Engineering...

H Window combine the beauty and warmth of wood with the unparalleled strength, weather resistance and durability of a custom-finished extruded aluminum exterior.

Monumental Performance...

Whether it is rain or wind, the H Window outperforms the competition in total performance tests. No operable window seals tighter. The harder the wind blows the tighter the H Window becomes.

Custom Manufactured

H Window offers the largest operating windows available in the U.S. The unique hinge design makes H Window so amazingly strong, so perfectly balanced, they let you think in completely new dimensions.
